## **EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

### **ITEM NO: 1**

The Company is seeking to raise funds for reduction in the long term debt in order to strengthen its Balance Sheet, improving debt profile and financial ratios and also for pursuing various opportunities for its growth in its core business of steel. This would require sufficient resources including funds to be available from internal accruals. The generation of internal funds may not always be adequate to meet all the requirements of the Company. It would be therefore, prudent for the Company to have the requisite enabling approvals in place for meeting the desired fund requirements including for capital expenditure, working capital, refinancing the existing borrowings and also such other corporate purposes as may be permitted under the applicable laws and as may be specified in the appropriate approvals.

This would also help the Company to take quick and effective action to capitalize on the opportunities, as and when available.

Pursuant to section 62(1)(c) of the Companies Act, 2013 and rules made thereunder, as amended, in case the Company proposes to issue equity shares/convertible warrants to any persons other than existing shareholders, whether or not such persons are shareholders, approval of shareholders through Special Resolution is required.

The Board of Directors, accordingly, at their meeting held on 20<sup>th</sup> January, 2018 has recommended to the shareholders to give their consent through special resolution to the Board of Directors or any Committee of the Board to raise funds through issuance of Equity Shares and / or Global Depository Receipts (“GDRs”) and / or American Depository Receipts (“ADRs”) and / or Foreign Currency Convertible Bonds (“FCCBs”) and/or Convertible Bonds / Debentures or any equity linked instrument/s (“Securities”) as may be appropriate to persons who may or may not be the existing shareholders through private placement and / or qualified institutional placement (“QIP”) and / or any other permitted modes at a price to be determined as per the SEBI (Issue of Capital & Disclosure Requirement) Regulations, as amended (the “SEBI Regulations”) or as per other applicable rules and regulations, upto an amount of upto Rs. 5,000 million in Indian Rupees and / or an equivalent amount in any foreign currency under section 62 read with section 179 of the Companies Act, 2013, as amended or other applicable laws. While no specific instrument or instruments of Securities has been identified at this stage, the Board may opt for an appropriate instrument in the best interest of the Company. Such issue shall be subject to the provisions of the Companies Act, 2013, as amended and rules made there under from time to time, Articles of Association of the Company, SEBI Regulations and other applicable laws.

Pursuant to Sections 42 and 62 of the Companies Act, 2013, as amended read with Rule 14 of Companies (Prospectus and Allotment of Securities) Rules, 2014 (“the Act”), as amended a company offering or making an invitation to subscribe aforesaid Securities is required to obtain prior approval of the shareholders by way of the special resolution. If approved by shareholders, a preferential issue, including a QIP, shall be completed within one year from the date of passing of special resolution and in case of issue by way other than QIP, provisions as applicable to the proposed issue shall be applicable. Equity Shares, proposed to be issued, shall in all respects rank pari passu with the existing equity shares of the Company.

In view of the above, it is proposed to seek approval from the shareholders of the Company through Extra Ordinary General Meeting to offer, create, issue and allot above Securities, in one or more tranches, to investors, inter alia, through QIP, by way of private placement or otherwise and to authorise the Board of Directors (including any Committee thereof authorised for the purpose) to do all such acts, deeds and things on the matter. The Board may offer a discount of not more than 5% on the price calculated for the QIP or such other discount as may be permitted under said SEBI Regulations. The resolutions contained in item no. 1 of the accompanying Notice, accordingly, seek shareholders' approval through special resolution for raising funds as above through issue of Securities in one or more tranches and authorizing the Board of Directors (including any Committee thereof authorised for the purpose) of the Company to complete all the formalities in connection with the issue of Securities.

As the pricing of the offer cannot be decided except at a later stage, it is not possible to state the price of shares to be issued. However, the same would be in accordance with the provisions of the SEBI (ICDR) Regulations, 2009, the Companies Act, 2013, or any other guidelines/regulations/ consents as may be applicable or required.

In case of issue of convertible bonds and/or equity shares through depository receipts the price will be determined on the basis of the current market price and other relevant guidelines.

The “Relevant Date” for the above purpose, shall be:

- i. in case of allotment of equity shares, the date of meeting in which the Board decides to open the proposed issue;
- ii. in case of allotment of eligible convertible securities, either the date of the meeting in which the Board decides to open the issue of such convertible securities or the date on which the holders of such convertible securities become entitled to apply for the equity shares, as may be determined by the Board.

Directors or key managerial personnel of the Company or their relatives may be deemed to be concerned or interested in the Resolution to the extent of their shareholding in the Company.

The Board commends this resolution as set out in the Notice for your approval as Special Resolution.
