 - the basis of closing price on stock exchanges in which the highest trading volume in respect of such Equity Shares as on Record Date, is not more than ₹ 2,00,000 (Indian Rupees Two Lakh only); and General category for all other shareholders. In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the
- number of Equity Shares which the Company proposes to Buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" Based on the shareholding on the Record Date, the Company will determine the entitlement of each shareholder including small shareholders to tender their shares in the Buyback. This entitlement for each
- shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders in the Buyback.
- In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the

In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes! sub-accounts and have a different demat account nomenciature based on information prepared by the registrar and transfer agent as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- Shareholders' participation in Buyback will be voluntary. Shareholders holding Equity Shares of the Company can choose to participate and receive cash in lieu of Equity Shares accepted under the Buyback or they may choose not to participate, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.
- The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholder as on the Record Date.
